## Ambetter Fee Schedule Reimbursement Update Clarification *Effective October 1, 2020*

October 23, 2020

Dear Providers,

Thank you for your continued partnership with Ambetter from NH Healthy Families.

We recently sent you a notification about a rebase of our Payor reimbursement methodology. Below is some additional information about this change.

Effective October 1, 2020, Ambetter's Payor fee schedule will be rebased from "Medicare Q4 2015" to "Medicare in effect on the date of service." The fee schedule will be continually updated in order to correctly reflect current Medicare in effect on the date of service. In conjunction with this update, we have also made adjustments to reimbursements for radiology and therapy services. These changes apply to procedures in **all places of service**, as defined by the Centers for Medicare and Medicaid (CMS).

If you have any questions about these changes, please don't hesitate to reach out to Provider Services at 1-844-265-1278.

Sincerely,

Ambetter from NH Healthy Families
